

Phyllis Bonaparte – Destination Specialist

As a travel agent since 2009 I have planned trips locally and abroad. I've had the opportunity to travel and book cruises to Hawaii, Bahamas and most of the all the Caribbean. I also made arrangements to London/Paris, and hosted and accompanied my group to trips to Mardi Gras in New Orleans, Las Vegas, Montego Bay, Jamaica, Orlando, Florida in which I had the pleasure of accompanying my clients on various occasions. I also hosted a cruise to Nassau for a family reunion.

I enjoy seeing the world which is one of the reasons I became a World Travel Specialist. I have also hosted motor coach trips to Ontario and Toronto, Canada. I annually arrange Casino trips to Foxwood and Mohegan Sun, which is part of New England Tours in Connecticut and Lobster fests in Rhode Island.

I also book Broadway New York shows for groups , families and individuals.

I love what I do and I do what I love. The most gratifying part of my job is when I know everyone had fun and enjoyed their vacations.
